

High quality  
Long lasting  
Industry compliant

## Why rent when you can own and save?

Houston Uniform & Apparel has been providing great customer service since 1979. We're a direct-purchase uniform and apparel company serving utility, petrochemical, general industry, restaurant, hospitality and corporate identity markets.

### Our Goal

To enhance your company image and promote workplace safety with quality uniforms and apparel that meet your needs and brand your business

### Our Promise

- Exceptional service at a competitive price with fast turnaround times
- High-quality custom design, manufacturing and embroidery

## Our Services – A Custom Fit for Your Needs

We provide custom-tailored programs and on-site services to fit your company's needs and give you the fastest turnaround times in the industry. Our dedicated sales representatives have the industry knowledge to help your company meet industry regulations and build company brands.

### My Company Store

Customers use customized online portals to securely track orders, efficiently manage costs and monitor individual locations. Employees can even place their own pre-approved orders.

### On-site Custom Services

We provide high-quality custom work with our onsite design, embroidery and tailoring services. We can brand and tailor stock items for the best fit or create unique apparel made to order.

### Inventory Warehouse

With a 38,000-square-foot warehouse, we offer a huge in-stock selection and stock inventory programs to quickly fill customer orders, including oversized garments.

### Sample Showroom

Customers can inspect samples, buy in-stock items and confirm sizing before placing large orders. Drop by our product showroom to see our huge variety of samples and purchase in-stock items.

ChefWorks

# OUR PRODUCTS

**Houston Uniform & Apparel** offers the finest in flame resistant clothing (FRC), restaurant and hospitality work apparel, and corporate and casual apparel. We use reliable, experienced manufacturers such as Chef Works, Bulwark, RedKap, Dickies and Edwards Garment to build customized programs.

## Industrial Apparel

Houston Uniform serves a wide range of industries across the U.S., including petrochemical, utility, distribution and construction companies ... and more. We offer the latest styles in the most comfortable, durable, easy-care uniforms.

- FRC including shirts, pants, jeans, coveralls, undershirts, hoodies, and long-sleeved t-shirts
- High-visibility and safety apparel from vests and jackets to headwear
- Non-FR work clothing such as jeans, including sizes not available through retail; raingear; work shirts; work pants; caps; jackets; coveralls; and performance-fabric polo shirts
- All can be customized with your logo and employee names

## Restaurant & Hospitality Apparel

Whether you're an established national chain or a local restaurateur launching a new concept, we can outfit your staff with top-quality brands. Drawing on our expansive catalog of items, we can give you a custom look that enhances your brand and the customer experience. We cover all front-of-the-house staff, including hosts, bartenders, servers and busers, and back-of-the-house staff, including chefs, cooks, dishwashers and prep.

## Corporate & Casual Apparel

Do you promote your business at special events? Do your employees interact with customers and potential customers? High-quality branded corporate apparel strengthens and markets your company's image. Houston Uniform & Apparel can provide a huge range of clothing to promote your brand.
